

# It Takes Two

Action, suspense, and drama. This detective drama has it all!

Two detectives, Shunsuke Yamashita and Keiichi Tashiro, are transferred to the Shinjuku Chuo Police Station to help get rid of crime. They have been assigned to the newly formed Special Investigations Division. The new division has been informally dubbed the "0 Squad" because no one takes it seriously, even though it was organized by the police chief.

As members of this new division, Shunsuke and Keiichi investigate many kinds of cases. Shunsuke does not care about the details and speaks before he thinks. Keiichi has a strong sense of justice and is passionate about what he does. The two personalities clash each time they take on a new case, but their hate for crime and their love for justice is the same. At times they will risk their lives and in the end, their cooperation will lead to another successful arrest.

Don't miss the action!
